Call for Extended Abstracts

Special Session: **Behaviours, Beliefs in Social Sciences and Finance**

We invite you to submit an extended abstract to the special session: “**Behaviours, Beliefs in Social Sciences and Finance**” to be held at the AMASES 2018 Meeting.

We aim to stimulate a discussion among scholars on market anomalies either grounded in psychology or not.

The special session is open to contributions on Behavioral Economics and Finance; both theoretical and empirical submissions are welcome.

Themes include, but are not limited to:

- Behavioral Economics
- Behavioral Finance
- Behavioral Insurance
- Rational Inattention
- Ambiguity
- Incomplete Markets

The extended abstract should be written in English and prepared according to the instructions provided at the abstract submission web page ([link](#)).

Submissions intended for this special session should mention the session code **BH**. The extended abstract should be named as follows: **BH_[surname of the presenting author].pdf**
