Call for Papers

Dear friends we invite you to submit a paper to the special session on **Nonlinear Economic Dynamics** to be held at the **AMASES 2018 conference**.

The main aim of the special session is to bring together experts of nonlinear dynamical systems and their applications in economics, finance and social sciences to stimulate discussions and spark collaborations.

The special session is particularly open to contributions that represent original applications of the qualitative theory of dynamical system to model nonlinear phenomena in the context of the Social Sciences and Economics.

Abstract Submission

You are invited to submit an extended abstract of at most 2.000 characters (spaces included) in PDF format by **May 30, 2018**. Each speaker can give only one talk.

Required information include:

1. Title
2. Author(s)
3. Affiliation (for each author)
4. Institution address (for each author)
5. eMail address (for each author)
6. One to four keywords
7. Up to five references

The abstract should be written in English and prepared according to the LaTeX template that you can find at this link, or with another word processor capable to produce output in the required form.

Please, submit the abstract at the following link:

<https://easychair.org/conferences/?conf=amases2018>

Submissions intended for this special session should mention the **session-code ND**

Please name your abstract according to this format:

ND-[surname of the presenting author].pdf

Registration

Your registration to the Meeting by **July 2, 2018** is mandatory in order to have the communication included in the final program.

Please follow this [link](#) for registration instructions.

Conference Venue

The 42nd AMASES Meeting will take place at the Pacanowski building at the Department of Management and Quantitative Studies of the Parthenope University.

For further information on the conference venue and information on travel and accommodation please consult the conference homepage.

Important Dates

Abstract Submission	May 30, 2018
Notification of acceptance	June 11, 2018
Deadline for early registration	June 18, 2018
Deadline for registration	July 2, 2018
Conference	September 13-15, 2018
